Dr. Pierce's Favorite Prescription Is the best of all medicines for the cure of discussi,

disorders and weaknesses peculiar to women. It is the only preparation of its kind devised by a regularly gradu-ated physician—an experienced and skilled specialist in the diseases of women, It is a safe medicine in any condition of the system. THE ONE REMEDY which contains no signbol. and no injurious habit-forming drugs and which

creates no craving for such stimulants. THE ONE REMEDY so good that its makers are not afraid to print its every ingredient on each outside bettle-wrapper and affest to the

truthfulness of the sume under cath. It is said by medicine dealers everywhere, and any dealer who man't it can get it. Don't take a substitute of unknown composition for this medicine or enoun composition. No counterfeit is as good as the genuine and the druggist who says something else is "just as good as Dr. Plorce's" is either mistaken or is trying to deceive you for his own selfish benefit. Such a man is not to be trusted. He is triffing with your most priceless possessing-your health-

A Storekeeper Says:

"A lady came into my store lately and said:

"'I have been using a New Perfection Oil Cook-Stove all winter in my apartment. I want one new for my summer home. I think these oil stoves are wonderful. If only women knew what a comfort they are, they would all have one. I spoke about my stove to a lot of my friends, and they were auton-

and one after another they got one, and now, not one of them would give hers up for five times its cost." The lady who said this had thought an oil stove was all right for quickly heating milk for a baby, or boiling a kettle of water, or to make coffee

stove. I told them of my emperience,

quickly in the morning, but she never-dreamed of using it for difficult or heavy cooking. Now-she knows. Do you really spareciate what a Now Perfection Oil Cook-Stove means to you? No more coal to carry, no more caming to the diober table no tired out that you can't out. Just light a Perfection Stove and immediately, the heat from an intense bine flame shoots up to the bottom of pot, lettle or oven. But the room isn't heated. There is no smoke, no smell, no outside heat, no drudgery in the kitchen where one of these stoves is used.

It has a Cabinet Top with a shelf for keeping plates and food hot. The nickel finish, with the bright blue of the chimneys, makes the stove ornamental and attractive. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet. Every dealer everywhere: If not at yours, write for Descriptive Circular to the nearest agency of the
